## Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

These are a system and procedure for maintaining and utilizing facilities such as physical, academic and support facilities viz. Laboratories, library, computers sports facilities etc. Sometimes these are maintained by the aid of grants/ funds supported by the DHE, Govt. of Madhya Pradesh. Maintenance has also been done with the aid of Grants provided by UGC time to time. Renovation work of departments, laboratories were also carried out by the aid of grants given by RUSA to the College under Component 7. Apart from it maintenance of facilities such as computers, water facilities, support to the labs in terms of chemicals etc., support for the maintenance facilities available in the library were also carried out with the help of aid of autonomous cell. For this purpose, head of the department has to give proper note sheet duly marked and signed by the Principal to the autonomous cell, and after completion of necessary formalities such as endorsement and recommendation by the committee constituted for this purpose and after due permissions from the competent authorities. The maintenance work may be carried out. Table mentioned in the section 4.4.1 above along with its data template is evidence in this support.
